Mr. Ron Creary
Executive Director
Butters Foundation
127 rue Principale, Suite 105
Cowansville QC J2K 1J3

Dear Mr. Creary,

On behalf of McGill University, I would like to take this opportunity to offer my sincere appreciation for the support of the Butters Foundation and for your recent donation of \$6,000 to the Dr. John A. Bryant Memorial funds. Your generosity over the years has helped us maintain unrivalled academic standards, and has advanced our international reputation for research and innovation.

I am enormously proud of the Faculty of Education's unique leadership position. Setting us apart from other institutions is our passion for *transdisciplinary* research - a holistic approach to investigating complex issues that have multiple causes and require thinking across many disciplines. The impact of our discoveries can be seen and felt in so many areas, from cyber-bullying, to learning disabilities to meeting the critical challenge of motivating our kids to remain in school. The Faculty is also ideally positioned to spearhead new initiatives aimed at optimizing health and physical activity practices among young people and adults, promoting healthy aging among older Canadians and enhancing the quality of life for those with chronic disease.

Once again, thank you for your interest in, and commitment to our Faculty and McGill, and for making a meaningful difference in the lives of all of our students and professors, and most importantly in the lives of all of those who will benefit from their work.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Dilson Rassier".

Dilson Rassier, Phd
Dean
